

St. Mary School Kindergarten Internet Use Agreement

Your Kindergarten child will be using the computer to become familiar with the keyboard and mouse, creating and saving documents, create folders on the desktop, and print.

Students will learn how to care for technology equipment in the classroom and in the STEM Lab.

Students will be visiting websites related to reading, math, exploration and creativity, following classroom instruction, and internet safety.

Parent or Guardian:

I understand the Internet Use Agreement Policy. If your child does not abide by the agreement they may lose the privilege of using technology equipment and use of the internet.

_____ My child may have access to the internet under school staff supervision.

_____ My child may not have access to the internet under school staff supervision.

Parent/Guardian Name(please print)_____

Parent/Guardian Signature:_____

Date:_____

STUDENT:

I understand the importance of being polite on the internet, and I will not send inappropriate messages, images, or information to anyone on the internet.

I understand that I will not share any personal information on the internet such as my name, address, or phone number without the permission of a trusted adult. I will not share my password with my friends or strangers.

I will take good care of the technology equipment in the classroom and in the STEM Lab.

I will continue learning about Internet Etiquette and Safety through Internet Safety lessons at the beginning of each semester and throughout the school year.

I understand the above St. Mary School Internet Use Agreement and if I do not follow the rules written above I will lose the privilege of using the internet and school technology equipment.

Student Name (printed)_____

Student signature (Grades 2 and 3 only)_____

Parent or Guardian:

Students will continue learning about Internet Etiquette and Safety through Internet Safety lessons at the beginning of each semester and throughout the school year.

As a parent or guardian of this student I have read and understand the school Internet Use Policy and this agreement form. I understand that internet use during school is designed for educational purposes and that St. Mary School pledges to take precautions to keep my child from controversial material on the internet. Therefore, I will not hold St. Mary School responsible for materials acquired on the internet. As parent or guardian I may withdraw my child’s permission at any time. I understand that the St. Mary Technology Committee and/or principal may also deny my child access at any time for any reason deemed necessary.

_____ My child may have access to the internet under school staff supervision.

_____ My child may not have access to the internet under school staff supervision.

St. Mary School Grade 4, 5, 6 Internet Use Agreement

STUDENT:

I understand the importance of being polite on the internet, and I will not send inappropriate messages, images, or information to anyone on the internet. I will not share any personal information on the internet such as my name, address, or phone number nor those of others. I will not share my password with my friends or strangers.

I understand that accessing the Internet is a privilege granted for the primary purpose of conducting research, completing class assignments, and gaining familiarity with evolving electronic communications through the internet.

I will respect technology equipment in the classroom and in the STEM Lab. I understand that I will be financially responsible for unauthorized commitments I make on the internet. I will also be financially responsible for damages I purposely make to any school technology equipment.

I understand that actions I may take such as plagiarism, invasion of privacy, unauthorized access, violation of copyright laws as well as other illegal activities may be grounds for disciplinary and/or appropriate legal action.

I understand the above St. Mary School Internet Use Agreement and if I do not follow the rules written above I will lose the privilege of using the internet and school technology equipment.
